### **Old Business:**

1. Next Annual meeting March 17<sup>th</sup>, 2006. WSBIA officers will man the registration table.
2. Robb Marvin has the City of Seattle documentation for exempting combination water heaters.
3. CH2O is booked for the 10 AM spot.
4. Tony Oda is doing research on Instahot water heater/ fiber type storage tank, under 120 gal. tank, no label.

### **New Business:**

1. Possibility of doing Section X training at annual meeting.
2. Larry Leet – will draft a letter describing the need for funds for our organization to continue. Larry Hayden will pass it on to Tony Oda to send out to all sponsor's. Need to have resolved by Sept. 1<sup>st</sup>.
3. Next year have all vendors/sponsors cover the total cost after the meeting.
4. NBIC part RB on life span issues, contact Steve Bacon on training at next annual meeting.
5. L@I can do asbestos training on day before, or on the annual meeting.
6. Ken Eshleman- issue of water heaters installed above ceilings, they have a internal policy of its OK to install, but it can't be re-inspected, therefore the location can't get a permit. The NBIC does address this as a safety issue.
7. Larry Leet- Agreed to address installation, and safety hazards in his remarks at the annual meeting.
8. Brad Berdoy- What is our hammer for requiring a slow drain LWCO test.
9. Larry Hayden- frequency of testing relief valves- the NBIC only recommends.
